schedule and budget details for realising the satellite.

(c) the capital outlay required for the execution of this satellite mission is estimated to be around Rs. 250.00 crores which includes cost of payloads, spacecraft and launch.

(d) At present, DOS and DOD are working out details towards preparing a project proposal for obtaining necessary approval for realising the proposed satellite mission. In the meanwhile, necessary preparatory action for the development of payloads has already been initiated by DOS.

(c) Docs not arise since Indian Space Research Organisation of Department of Space has not refused to contribute funds.
